Hi from all the Hardings !

This is the first picture together since last Easter! So great to be together and celebrate the risen Christ! Yes, He is alive!

Please PRAY! Tomorrow Grace and I are off to THAILAND and GUAM ! Will be back home the 19 th of April.

THAILAND: Although SIM have been working in Asia for many years, we are presently seeing the Lord doing a “new thing” in this part of the world. The Lord is opening up countries that have been closed to the Gospel for decades. God is giving us new strategies for entry and ministry in other countries where the door to conventional work is closed. Along with the huge challenge of Asia, God seems to be calling out new workers – some from unexpected places. We will celebrate what God is already doing in Asia – and what we believe He will do in the future. There will be opportunities for prayer, worship, mutual encouragement, strategizing, networking, and relaxation.

GUAM: In Guam, Grace and I will be connecting with a church that has been faithful in supporting us for over 20 years virtually sight unseen. Wow, that is faith! Bill has been there one time but this will be a first for Grace. We look forward to expressing our gratefulness to them and to the Lord for this marvelous story of partnership in the gospel.

Thanks for praying and thanks for giving to make this all a reality.
