

Another Benchmark in the Harding Family!

He did it! He did it! Yes, Kyle graduate from Wingate University in NC on May 12th. As Kyle's parents, we are proud of him and thankful to the Lord for making this accomplishment possible. It is a time of CELEBRATION!

We were deeply moved when Kyle recieved from the President of Wingate University the Christian Character, Service and Leadership Award.

A memory, while Kyle was giving the benediction to close the outdoor commencement ceremony, a big deer fly latched onto his neck and started sucking his blood. Not willing to disrupt the prayer he did not swat the fly. The fly started to swell. After saying "Amen" he swatted the now huge deer fly and his hand was covered in blood. YUCK!

Pray for Kyle as he is in the job search mode. Another big transition to trust the Lord for His direction. Pray that Kyle will continue to love the Lord passionately and serve Him obediently.

Celebrating with a sense of awe what God has done.

Bill and Grace.
