

KEEP HEART (OCTOBER 2008)

In these ominous economic and political times, we are thinking and praying about you. How wonderful to know that the character of God never changes. His love never fails and we desire to proclaim that message of hope found in Christ alone. Here are some prayer and praise items.

Wilton, Maine: Bill and Bill's dad head to Calvary Hill Baptist Church this weekend, Oct. 10-13. It will be great to do this mission conference as a tag team of two generations. Pray for a special anointing from God and that there will be much fruit.

Montreat, NC: Oct. 25-26 Bill will be preaching at the mission conference of Montreat Presbyterian Church. This church has plans to partner with SIM with Sports Friends in Langano, Ethiopia. It is so exciting!

Ethiopia/Kenya: Beginning October 31st for two weeks, Bill and Grace will escort his dad, Bill Sr. and his wife Betty to Ethiopia and Kenya. The SIM related national church of Ethiopia, KHC, has invited them to honor them for Dad's years of service in that land. Pray for safety and for all that is needed to make this trip down memory lane unforgettable. My Dad and I will be speaking to church leaders as well.

Pray for Grace in the next few weeks as she moves her Mom, June Gustafson, from Bradenton Missionary Village to Shell Point Retirement Complex in Fort Myers, FL.

Another Harding! Our eighth grandchild has arrived on the scene! Kerani Elise Harding was born to our eldest son Drew and wife, Janna.

They have five little girls six and under. Wow! Loving it!

Thank you for praying and for standing with us in these challenging days.
