

Fall Update on Bill and Grace Harding

I have loved you with and everlasting love; I have drawn you with loving-kindness. Jeremiah 31:3

It is comforting to know that even though our children are away, the Lord is EVERpresent with them. We rejoice!

We had the wonderful privilege this summer of seeing our son, Ryan, Melissa, Selah, Emery and Gavin in Colorado. Oh, what fun!!

What a privilege to share Christ's love and declare Him among the nations!

This summer: We had a special soul care retreat for our SIM-USA Area Directors. It was a rich time of sharing, challenging and praying for each other. Since the body is the soul's address, Grace shared the importance of caring for our bodies with nutrition and exercise.

Pray for Pakistan! People are dying daily because of the greatest floods of the century. Up to 20 million have been displaced or have suffered significant loss. SIM is on the ground helping. You can help by sending a check to SIM-USA, for "Pakistan Flood Relief."

Off to ETHIOPIA! November 11-18 Bill will be leading a vision trip for a pastor and a supporter. It will be a wonderful time of ministry to the Word of Life Churches. Preparations will be made for future mission trips that Calvary Church will be taking.

Experiencing that love of Christ daily,

Bill and Grace
