PRAISE & PRAYER

NASHVILLE

Bill and Grace at the Donelson Fellowship

Oct. 7-10 Mission Conference. The pastor, Rob Morgan, was a classmate of ours at Columbia International University. Check out his excellent book "Then Sings My Soul". Pray that God would use us to herald with clarity and power the mandate and the mission of God redeeming the nations for Himself.

FAMINE

NO RAIN FOR 3 YEARS

My brother, David, helicoptered into the feeding camps on the Ethio-Somali border a few weeks ago and witnessed the devastating conditions. Pray for his efforts to drill for clean water and SIM's role in helping with famine relief efforts.

YOUTH

42% of sub-Saharan Africa is below 15 years old!

Pray for the church as they are realizing the need for intentional discipleship. Pray for the Harding Bible School in Yirgachefe as a way to train godly youth.

SUPPORT

Needing your help

Would you please prayerfully consider giving to help cover the cost of Bill's upcoming ministry trip to Ethiopia? #24543 <https://usanet.sim.org/simgift>.

A SUMMER TO REMEMBER

Maranatha Bible and Mission Conference, near Muskegon, MI, celebrated their 75th anniversary. Bill was the mission presenter for the week and Joe Stowell, formerly of Moody was the Bible teacher. Wow, what a great time we had full of God's blessing.

The dedication of the Potter's Inn, in Divide, Colorado, was inspirational. This is a ministry to missionaries and others led by my sister Gwen and her husband, Steve Smith. Check out <http://pottersinn.com/>

Grace was able to return to Colorado and help Gwen after an eight hour

surgery to remove a benign tumor from her spine. We thank God that Gwen is recovering well, though it is a slow process.

How exciting to speak at the first mission conference ever in a church in Fayetteville, NC. God is at work!

We were able to see all of our eight grand kids. What a gift!

Our love to you as we serve together.
