

Summer 2012

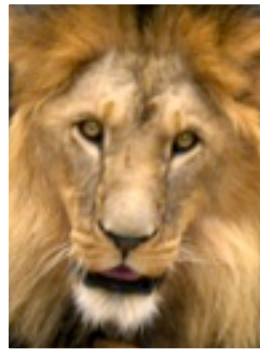

Harding Family Reunion

This June 2012, Grace and I are rejoicing in the Lord in celebrating 30 years serving with SIM. Today, June 21st, we celebrate 37 years of marriage! YEA!!

As you can see, the tribe has expanded with eight grandkids. Our hearts are still knit to Africa. Drew and Janna + five are now living in South Africa working with his nonprofit, Senai Global .

Pray for the funding and construction of the Harding Bible School in Yirgachefe, Ethiopia. The dedication is scheduled for February 22-24, 2013. My Dad and Betty, and most of the family are planning to attend. Also, Pastor John Munro and a team from our home church, Calvary Church in Charlotte, NC, will share in the celebration along with an estimated 20,000 Ethiopian believers. The Lion of the Tribe of Judah is still on His throne and He is redeeming a people for Himself!

We give praise today for the great generosity of the Lord in giving us family that love and serve Him. We give thanks to you for your love for us and the prayers and support through the years.

Pressing on in making Him known, Bill and Grace
